

Covenant Keepers 2018-2019 Salary and Benefits Information

Salary

Covenant Keepers' salary schedule applies to all full-time teachers. The salary schedule is based on the education, years at CK, and overall years of experience. The salary schedule represents the salary policy of the CK Board of Education.

Teachers may, on the recommendation of the Director and with the approval of the Board of Education, be granted salary stipends on the basis of additional duties and responsibilities outside of normal school hours. Teachers are appointed by the Board of Education upon recommendation of the Director. A teacher accepting a contract agrees to accept the assignment made by the Director.

Benefits

Covenant Keepers participates in the Arkansas Teacher Retirement program for teachers and other school employees as provided by Arkansas statutes. Full-time staff members are given the opportunity to purchase group medical, long-term disability, and life insurance. The school also provides dental and vision plans for the employee. Employees have access to credit union membership.

For each school year, full-time employees are credited 11 personal days. Sick leave benefits are cumulative to 30 days.

Licensed Salary Schedules

Covenant Keepers uses a salary schedule that recognizes professional training and work experience inside and outside of CK. For the purposes of the salary schedule, a teacher will have worked a “year” if he/she works at least 180 days. The schedule is updated on an annual basis. The Board may make salary adjustments as a result of availability of revenues and/or legal requirements. Certified employees of the District are classified for salary purposes according to the following education attainments: a. Those with a Bachelor's Degree; b. Those with a Master's Degree

A teacher is eligible for placement on the master's degree salary schedule when he/she has a master's degree in an area that is considered relevant to the employee's position. For the purposes of this policy, a master's degree or higher is considered “relevant to the employee's position” if it is related to pedagogy or the teacher's content area and has been awarded for successful completion of a program at the master's level or higher by an institution of higher education accredited under Arkansas statutory requirements applicable at the time the degree was awarded.

Teachers who have earned a master's degree in an area that is considered relevant to the employee's position as defined in this policy are responsible for reporting and supplying a transcript to the Business office. The appropriate salary increase will be reflected in the next paycheck provided it is at least two weeks from the time the notice and documentation is delivered. All salary changes will be on a “go forward” basis, and no back pay will be awarded.

Prior teaching experience will be applied towards the salary schedule; however, the minimum and maximum number of years of teaching experience outside of CK that will be recognized will be kept at 3 years. Only teaching positions with accredited schools within the U.S. will be considered. A copy of teacher service record showing prior employment must be provided to the school administration at the time of hiring.

Critical subject area teachers will receive up to an additional \$4,000

It is the responsibility of the certified employee to establish proof of teaching experience outside of Covenant Keepers.

Substitute teaching will not be counted in evaluating teaching experience for salary purposes. Evaluation of past experience, placement at the appropriate place on the salary schedule and whether the graduate degree earned is related to the employee's position are the responsibility of the Business office.

Certified staff whose assignment is comprised of both teaching and administrative duties will be paid their salary from teaching, administrative, and/or classified salary funds in direct proportion to the assigned duties.

This schedule illustrates minimum salaries only. Some employees will be paid more than these amounts for additional duties or stipends (e.g. department chair, testing coordinator, competition coach, etc.)
